Performance Threshold Wizard

Select Objects and Metrics

Select the an object type or an individual object below.

☐ Object Type: Symmetrix Disk *1002*
 or
 ☐ Objects: DA-1A 0C *1004*

Please select a metric: *1006*

Metric: Response Time *1008* Trigger when value is: Greater or Equal to set threshold
 and (optional) - *1014*

Metric: None *1010* Trigger when value is: ----- to set threshold *1012*

A threshold can be triggered when an object exceeds a single metric or a combination of metrics.
